

Computation, Communication, and Total Time vs Num. of Processors Graph

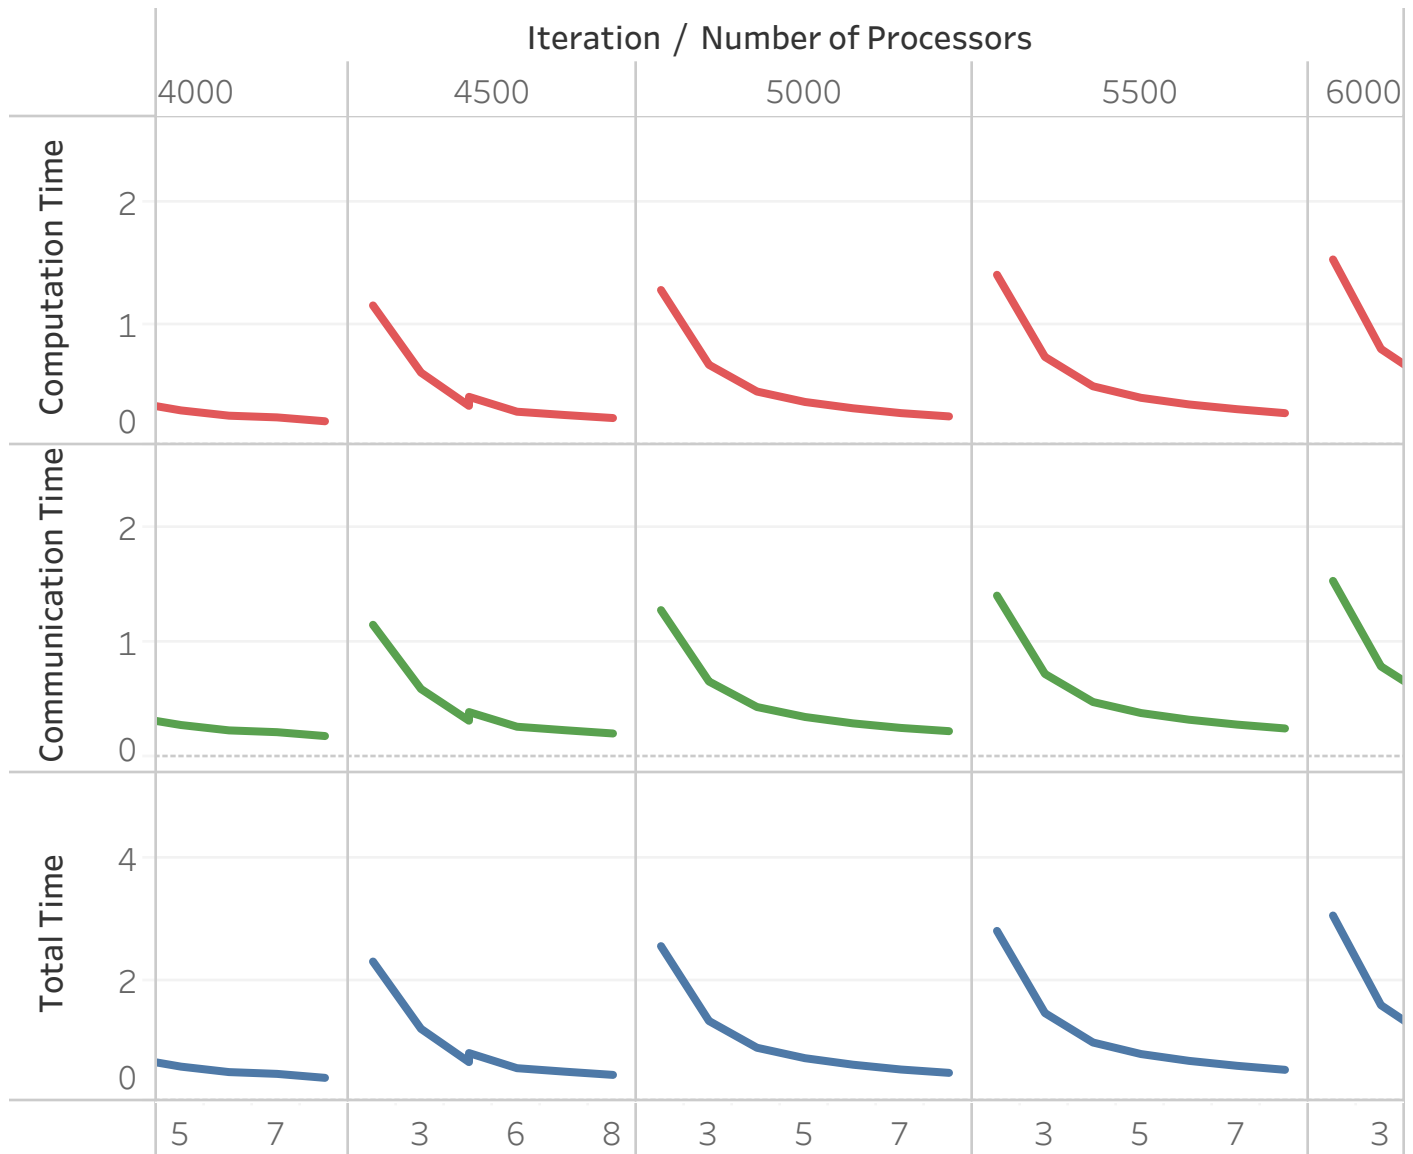

The trends of Computation Time, Communication Time and Total Time for Number of Processors broken down by Iteration.

Computation, Communication, and Total Time vs Num. of Processors Graph

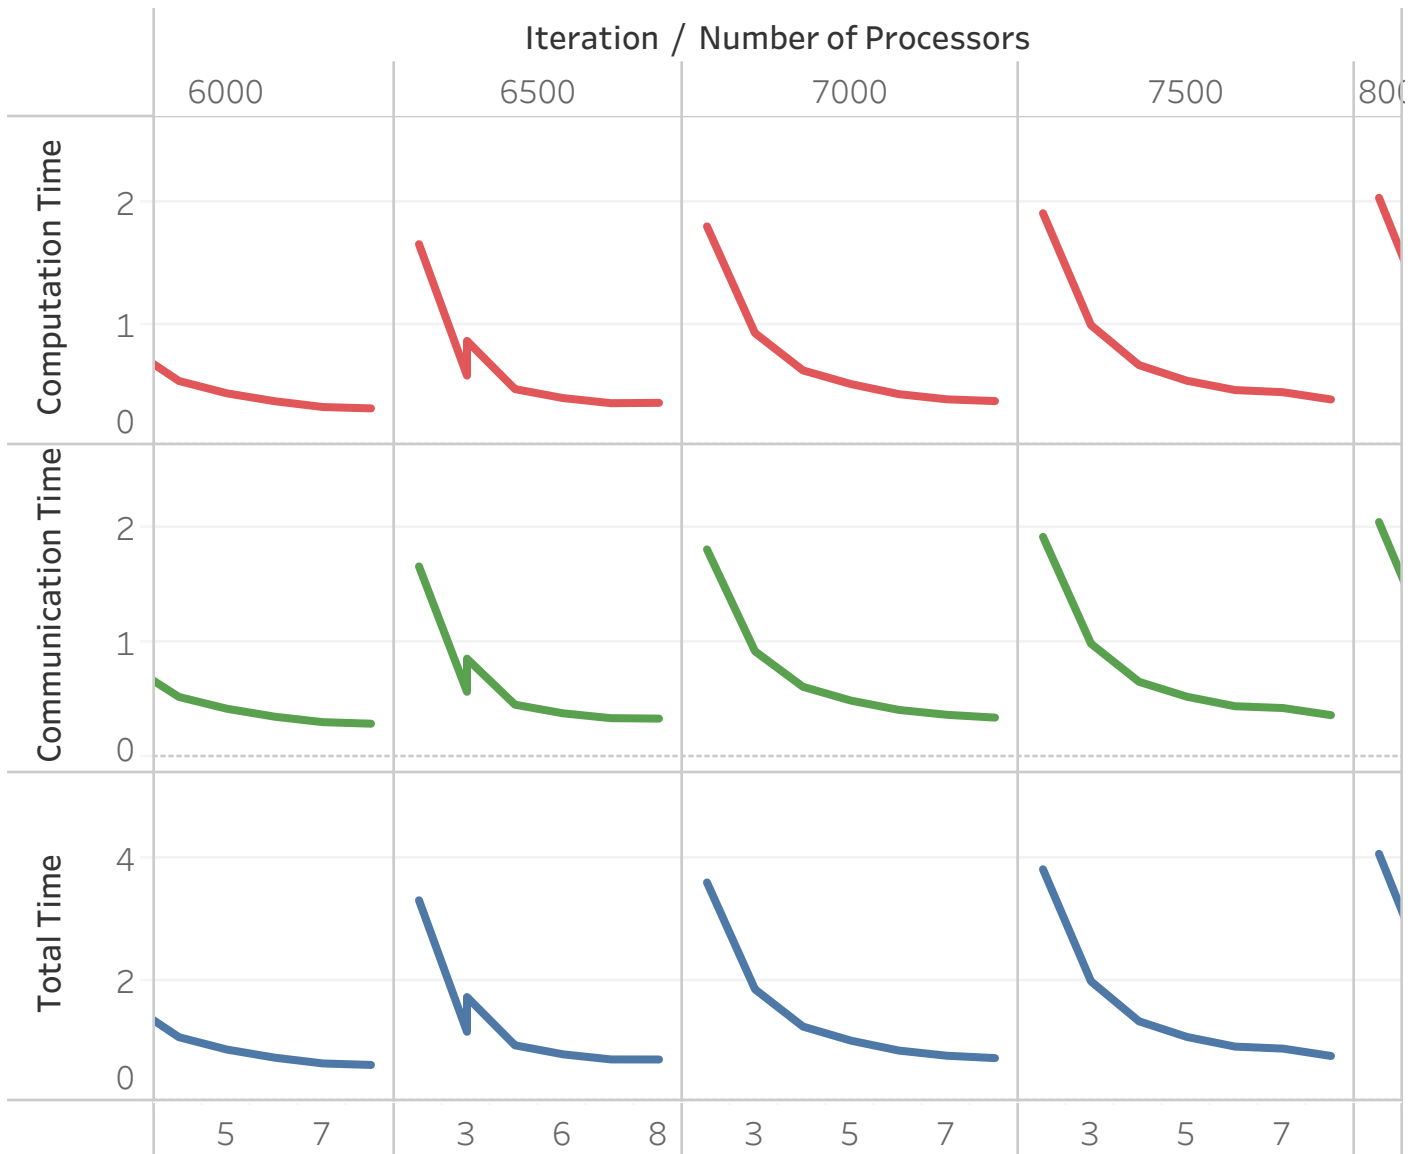

The trends of Computation Time, Communication Time and Total Time for Number of Processors broken down by Iteration.

Computation, Communication, and Total Time vs Num. of Processors Graph

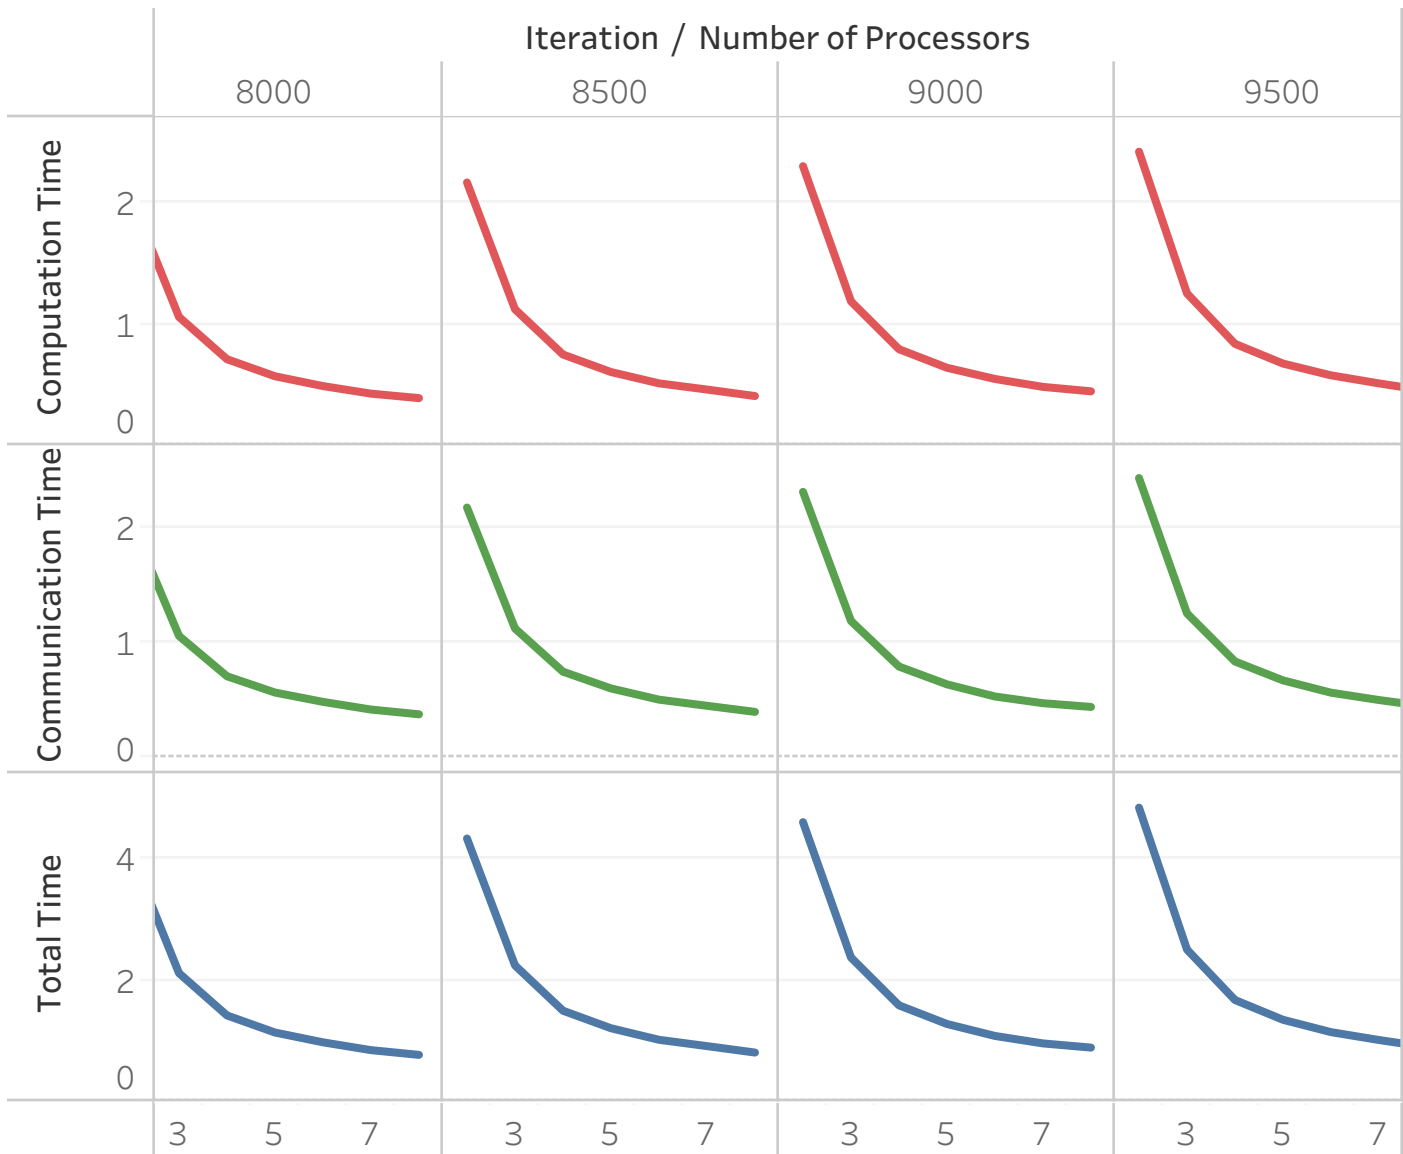

The trends of Computation Time, Communication Time and Total Time for Number of Processors broken down by Iteration.

Computation, Communication, and Total Time vs Num. of Processors Graph

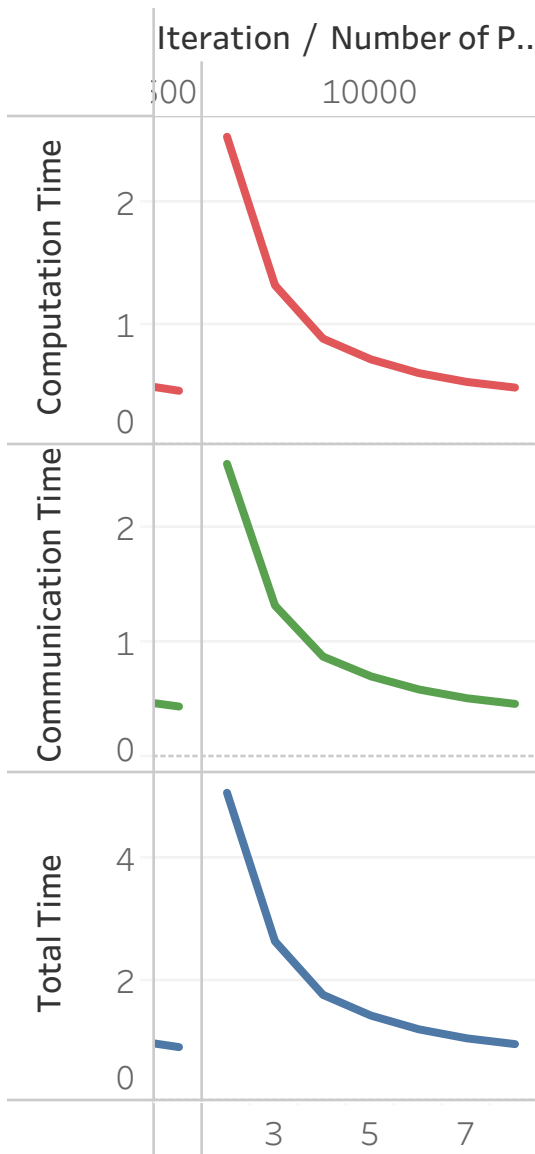

The trends of Computation Time, Communication Time and Total Time for Number of Processors broken down by Iteration.

Computation, Communication, and Total Time vs Num. of Processors Graph

The trends of Computation Time, Communication Time and Total Time for Number of Processors broken down by Iteration.

Computation, Communication, and Total Time vs Num. of Processors Graph

The trends of Computation Time, Communication Time and Total Time for Number of Processors broken down by Iteration.
